

Marker	Comments
0.5	From the Trailhead to Marker 1- numerous bike trails overlapping equestrian trail, some poor trail markings with the horse trail hard to spot, and part of the trail was under several feet of water
1	near Apache Trail
1.5	Trailer is narrow and steep with 2 low water crossings between Markers 1 & 2
2	behind homes on Apache Trail, just west of the gate at Apache Trail and Shoshone Trail
3	can be accessed overland from the end of Apache Trail; west of the gravel road boat ramp off of Caddo Trail
4	on the west side of the grassy boat ramp on private property at the end of Mohawk, can be accessed from the gravel road off Caddo Trail
5	can be accessed through private property at the end of Bordeaux Court, residents have cleared a 4-wheeler trail
6	no easy access, but you can reach on foot or UTV through private property on Bordeaux Ct or Shady Trail, low water crossing just west of marker, otherwise trail is wide and flat between markers 5 & 8
7	closest access would be through private property on Shady Trail (1/2 mile +), could be accessed with UTV
8	¼ mile west of private property access on Shady Trail, UTV accessible
9	under water (trail seems to have a semi-permanent detour to route around the water)
10	end of Lakewood Lane adjacent to private boat dock
11	horse rest area with memorial plaques, if water level allows you can access from Lakewood Lane. Route from High Road is steep, narrow, and rocky
12	¼ mile west of High Road, steep, narrow, and rocky
